

INTRODUCTION

This manual explains how to use the **Shift & Go** web application, including navigation, product management, and basic settings.

ACCESSING THE APPLICATION

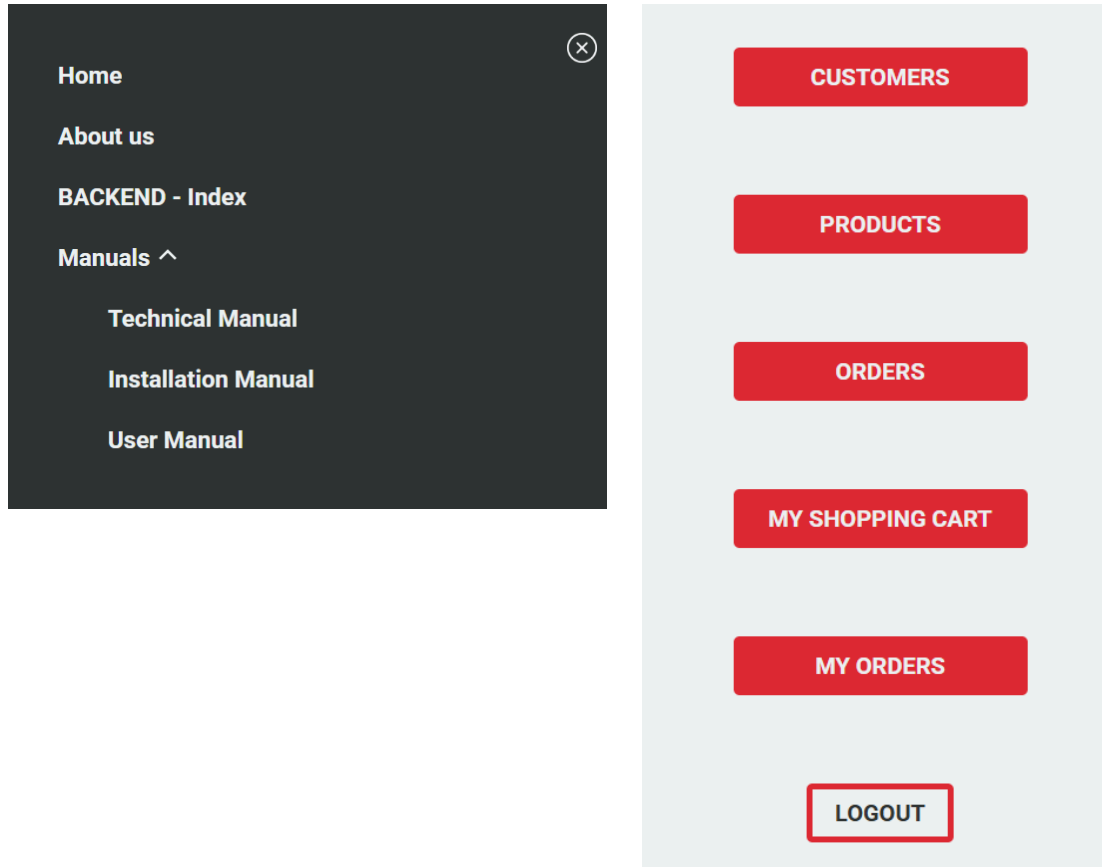

- Open the application in a web browser.
- Register if you don't have an account.
- Log in to access all the features.

NAVIGATION

- Use the navigation bar to move around the web.
- You can check the manuals for any doubt.
- After log in, you'll see the Administration Panel:
 - **Customers:** see all the customers registered in the database. Add, update or delete a customer.
 - **Products:** see all the products. Add, update or delete a product. You also can buy and add items to your shopping cart with the admin account.

- **Orders:** check all the orders, even if they're in progress or have been delivered successfully.
- **My shopping cart:** check the items on your shopping cart.
- **My orders:** check your orders and review the products you have received.

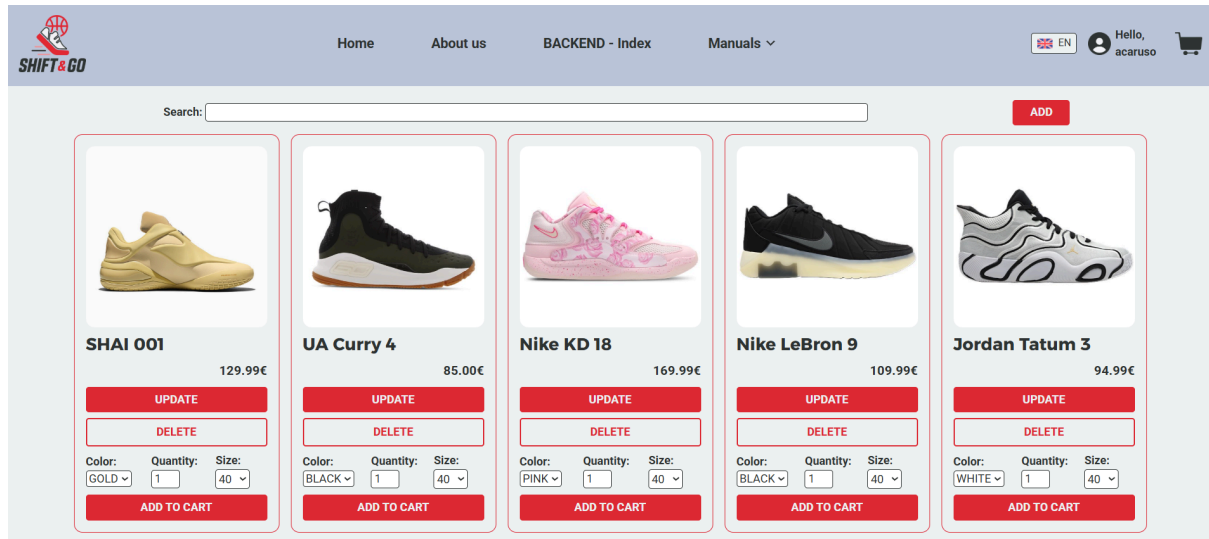

- Check your orders. If the product is delivered, the “Review” button will be activated (red):
